(*bend knee & bow)

It is our duty to praise the Master of all, to ascribe greatness to the Author of creation; for He made us unlike the nations of the lands, and has not placed us like the families of the earth. He has not made our portion like theirs, and our lot like all the multitudes. And we bend the knee and bow, and acknowledge our thanks before the King over Kings, the Holy One, blessed be He. He stretches out heaven and establishes earth's foundation, and the seat of His glory is in the heavens above, and the presence of His Power is in the most exalted heights. He is our G-d, there is none other. True is our King, there is nothing beside Him, as it is written in His Torah: And you shall know this day and take to your heart, that the L-rd He is G-d, in the heavens above and on the earth below, there is none other
